

Power Wheels Derby Rules!

- 1. No ATV/Motor Cycle Power Wheels allowed. No open leg/foot area.**
- 2. Minimum age of 3 years old. Older children must fit within the driver's compartment. No knees or legs extending outside of the vehicle.**
- 3. Must wear helmet! Examples: bike, motocross, or snowmobile. Must be strapped on at all times.**
- 4. A bigger 12 volt battery is allowed. Example: lawn mower. Battery MUST be secured and covered. NO large truck or implement batteries.**
- 5. There could be 2 separate groups running. One for Stock Power Wheels and one for Extreme Modified Power Wheels. If you need to replace parts, OK, but rebuilds, extreme bumpers, bigger motors, etc. will be in a separate group. Official will decide the day of the event.**
- 6. Participants get free entry with a paid Parent/Guardian. Can park in pit area, but children must stay in grandstand area, until their heat. Parent/Guardian does not have to buy a pit pass, unless they choose to remain in the pit area.**
- 7. Power Wheels can be decorated in Good Taste and with a car number.**
- 8. Parent/Guardian must sign waiver for child to participate. Also one adult will be allowed on the track to help watch over their child.**
- 9. Drivers will get participation trophy.**
