

Please note there has been a recent change in implemented rules regarding allowable hitches. Clevis style hitches are no longer allowed, without exception. Rules to hitches are being implemented nationwide and required by the sled associates due to changes in the hook. **If you show up with a clevis style hitch, you will NOT be allowed to pull** (please see below photos for further clarification).

ATTN Pullers

You will be required to use a flat hitch with a minimum 3" x 4" hole.
